

K-LOVE is serving my family and our community. We listen to K-LOVE every day on FM 88.9. We do not have to listen to none Christian stations that broadcast nothing else but garbage. K-LOVE is family frendly, very clean, positive, broadcasts all over USA and most of all lifting up Jesus Christ who dead for all of us. People can call them 24/7 not just with prayer requests but also for a help. Please, do not take this station from us. We do not have to worry about what our 2yr old daughter is listening to. She sings clean songs, praises to our God and that is priceless. K-LOVE is always organizing help to needy not just for Thanksgiving or Christmas but the whole year, all over USA not just in my community. People can listen to K-LOVE on line, that is very great specialy for military and missionaries, there are countries without christian station and that is why K-LOVE is so important for us. These and many other reasons are why we listen and support K-LOVE. May God bless K-LOVE.
